Masonry In Action Award

The Masonry In Action Award was created to recognize individual lodges for outstanding participation in the programs of the Masonic Charity Foundation.

Lodges are asked to complete an application detailing their charitable activity throughout the year. One outstanding application is selected from lodges with over 100 members, and another outstanding application is selected from lodges with fewer than 100 members.

The two outstanding lodges are provided $5,000 in award funds to benefit a charitable or educational cause in their home communities.

Drumright Lodge No. 468 was recognized for outstanding participation in Foundation programs during 2012. Drumright Lodge made gifts of their prize money to two local organizations: *The Right Path Riding Academy*, which provides therapeutic equine activities for special needs children, and *Cooper Middle School*, to benefit the school's library.

Altus Lodge No. 62 was recognized for outstanding charitable activity among large lodges in the State during 2012. Altus Lodge chose to honor the Altus Armed Services YMCA with their $5,000 award gift.

THANK YOU, Lodges, for your fine work!

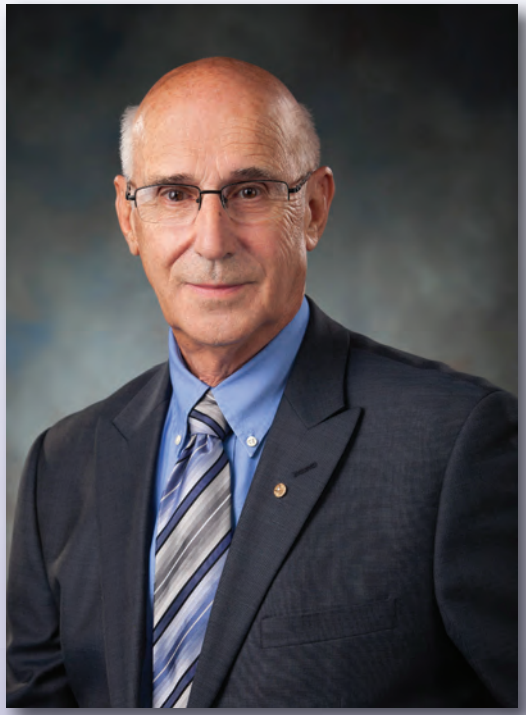
LETTER FROM THE PRESIDENT



Dear Brethren and Friends:

With great pride I report the course of the Masonic Charity Foundation for 2012. Many significant programs are offered through the Foundation in which we can all take great pride. Our programs benefit the needy, support public education and involve our Lodges across the state in community activities.

In 2012 we saw a continuation of the successful programs that bring Masonic charity into the lives of many across our great state. Our **Matching Funds** program which has proven to be the most popular program of the Foundation makes it possible for a Lodge to give better gifts than it could by itself. In 2012, we expended $1,642,219.05 in Matching Funds for charitable and/or educational causes throughout the state. Since these funds are, by definition, doubled, Oklahoma Masons through the Lodges have invested a minimum of $3,284,438.10 into their communities through this program in 2012.

Another successful program has been our partnership with the Area Agencies on Aging. It is the only statewide program that covers gaps between existing assistance programs for the elderly. The program addresses such needs as assistance with minor home repairs, access ramps and modifications to doorways and bathrooms, purchase of dentures, eyeglasses and emergency medical equipment to name a few. In 2012 our contribution to the Oklahoma Association of Area Agencies on Aging was $758,722. All of our contributions are made in the name of the Masonic Fraternity of Oklahoma.

While it is true that Masonic charity is generally done quietly, it is also important that you know what the dollars you contribute to the Foundation accomplish. We want you to know that you are making a difference. And, others have noticed as well. The Masonic Charity Foundation was recognized with the **Beacon Award** in the Non-Profits Helping Non-Profits category as a result of our partnership with the Oklahoma Association of Area Agencies on Aging.

The many good works described in this report are made possible through your donations. Our Foundation works only from the earnings of our donations, all of which are all endowed. We hope that the donors who helped create this legacy would be proud of our results. We are your Foundation and with your contribution we will continue to make our communities a better place.

It is an honor to serve as President of our Masonic Charity Foundation. On behalf of the Board of Directors and the staff of our Foundation, I want to thank you for your support. With your help we will continue to advance the mission of Masonic charity.

Sincerely and fraternally,

Charles L. Stuckey
President

PUBLIC WELLNESS

Partners in Prevention
Partners in Prevention is the oldest partnership of the Foundation. Prevent Blindness Oklahoma works very hard to assure that no Oklahoma school child has undetected vision problems, and that no senior citizen is developing conditions of the eyes which will lead to blindness. Vision screenings are regularly conducted in schools and other locations. The Masonic Fraternity is a proud partner in their work. Over the years, the vision of thousands of Oklahomans, young and old, has been saved.

During the 2012-2013 school year 1,244 screenings were conducted. A total of 191 Masonic Lodges participated in screening 312,101 children of which 44,895 were referred for professional eye examinations.

In 2012 we gave $160,000.00 to support the vision screening program. In total, we have given more than $2,750,000.00 to Prevent Blindness Oklahoma. That amounts to a cost of less than $0.50 for each child screened. It is hard to imagine how any money could earn a greater return in terms of sorrow avoided and happiness assured.

Masonic Assistance Program for Seniors
In 2007 the Masonic Charity Foundation began a partnership with the Oklahoma Association of Area Agencies on Aging (04A) and developed the Masonic Assistance Program for Seniors. This program continues today. The program is designed to help older persons with health and safety needs for which there was previously no formal or informal program in place to help. It is the only statewide program that covers gaps between existing assistance programs. The program addresses such needs as assistance with minor home repairs, access ramps and modifications to doorways and bathrooms, purchase of dentures, eyeglasses and emergency medical equipment to name a few. In 2012, the contribution to the Oklahoma Association of Area Agencies on Aging was $720,586.32 to be used in the year 2013. Since the beginning of the program, the Foundation has donated a total of $4,956,280.87 in the name of the Freemasons of Oklahoma.

PUBLIC EDUCATION

Student of Today & Teacher of Today program (2012-2013 school year)
The Student of Today & Teacher of Today programs recognizes outstanding students and teachers in Oklahoma Public Schools and is the oldest Oklahoma Masonic program in support of education. Through this program, students are identified by their teachers and school administrators as truly outstanding in their class. The Masonic Charity Foundation prepares special certificates and sends them to the Lodges or schools for presentation. The Foundation prepared 2,420 certificates for Student of Today. These certificates were presented through 186 Lodges to deserving students.

Good teachers challenge us to do our best, reassure us when we seem to be failing, support us when everything seems to be against us, bring us back into line when we drift out, and listen to us when no one else will. The Foundation prepared 844 certificates for Teacher of Today. These certificates were presented through 175 Lodges to honor outstanding teachers.

Senior Essay Contest (2012-2013 school year)
The Senior Essay Contest was launched in 1966 in support of education. It is one of the most important. Writing has been found to teach critical thinking skills. The essay contest is open to all seniors in Oklahoma public schools. It is sponsored by the Masonic fraternity in Oklahoma as part of its continuing commitments to education and to the young people of our state. Cash prizes in both the Men's and Women's division range from $2,000 for 1st place to $100 for 10th place.

This year, the Foundation received and professionally graded 1,597 essays, awarded 685 certificates through 89 Lodges, and paid out $13,700.00 in prizes.

2012 MASONIC CHARITY FOUNDATION OF OKLAHOMA PROGRAMS (continued)

Oklahoma Teacher of the Year
The Oklahoma State Teacher of the Year program was created by the state's Department of Public Education. The Council of Chief State School Officers, sponsor of the national Teacher of the Year program, has found Oklahoma provides the best recognition program for its State Teacher of the Year.

We began our partnership with them in 1994. One outstanding teacher is selected from Local Teachers of the Year to serve as the State Teacher of the Year. That person is expected to spend the year going from school to school across the state, helping other teachers and inspiring students. It is a great honor, but it is almost always an expensive one for the teacher. The Foundation gives the Oklahoma State Teacher of the Year a grant of $5,000 to help offset these costs, and an additional $5,000 to the school district in which the Teacher of the Year teaches. We also give $1,000 to each of the eleven state runners-up and $500 to each of the six Rising Star teachers; and, we present personalized certificates recognizing each school's nominee for Teacher of the Year.

In 2012, a total of $23,500 was awarded and 124 certificates were presented.

State Superintendent's Awards for Arts Excellence
This program recognizes the best and brightest of public school students in the arts. Sponsored by the Oklahoma Alliance for Arts Education and underwritten by the Masonic Charity Foundation since 1998, this program gives public attention to the accomplishments of these students. We are proud to assist the efforts of the Alliance for Arts Education and the State Superintendent of Public Instruction in promoting and preserving the arts in Oklahoma public schools.

The Foundation contributed $7,800 this year, bringing the total to $99,889 of support to the State Superintendent's Awards for Arts Excellence program.

The Payne Education Center
The Payne Education Center instructs teachers how to teach dyslexic children how to read. They use the Scottish Rite Children's Hospital reading program which is highly successful in teaching dyslexic children how to read. But the system is not taught in the teacher training programs in college. The Payne Education Center teaches that system to reading teachers. For every teacher trained, and for each year of teaching with Payne curriculum, 20 children benefit by learning to become competent readers, writers and spellers. The Masonic Charity Foundation has been a staunch and faithful supporter and advocate of Payne for 23 of Payne's 26 years of existence.

Our 2012 support for the Payne Education Center was $42,500.

Oklahoma Educational Television Authority (O.E.T.A.)
The mission of the Oklahoma Educational Television Authority is to provide educational and public television programming to the people of Oklahoma on a coordinated statewide basis.

In 2012 Masons, through their Lodges and Foundation, contributed $51,545.50 to O.E.T.A. The Masons of Oklahoma have actively supported OETA since 1999 through cash donations totaling $594,387.34. We currently sponsor the OETA Movie Club, Antiques Roadshow, Nature, and This Old House.

COMMUNITY

Matching Funds Program
The Matching Funds Program of the Masonic Charity Foundation of Oklahoma provides each Oklahoma Masonic Lodge with $12,500 each year for local charitable or educational needs in their community. By putting the funding decision in the hands of local community members, needs are more readily identified and the funds more effi-

2012 MASONIC CHARITY FOUNDATION OF OKLAHOMA PROGRAMS (continued)

ciently utilized to solve community needs. This program enables local Lodge leaders to identify worthy charitable needs and work with other local groups to achieve positive outcomes. The program literally doubles the effective financial benevolence of the Lodge.

In 2012 the Foundation processed 1,921 requests from Lodges totaling $1,642,219.05 for local community charitable or educational purposes. Since 1983, Lodges have utilized a total of $20,554,700.78 for these projects, and since those funds are, by definition, doubled, Oklahoma Masons through the Lodges have invested a minimum of $41,109,401.56 into their communities through this program.

ON BEHALF OF THE FRATERNITY

Promises Matter Grants
Direct financial grants are available to assist needy Oklahoma Masons, their wives, widows and mothers, plus Oklahoma female members of the Eastern Star. These grants are intended to solve a problem rather than be an ongoing monthly stipend. The Lodge is asked to assist their own member first with some appropriate contribution and request Matching Funds.

In 2012 a total of 24 grants were made totaling $54,200.57. Since 2000, 365 Promises Matter Grants have been issued, totaling $1,288,264.90

Youth Scholarship Program
The Foundation administers the Education Endowment Fund, the interest of which is used for scholarships to any accredited college or university (accredited Trade or Vocational schools are also eligible). These scholarships are available to current and senior members of DeMolay, Rainbow and Job's Daughters. Since the Foundation began administering the program in 1999 a total of 691 scholarships have been awarded to DeMolay, Job's Daughters and Rainbow members in the amount of $961,000.00.

Masonic Youth Group's Trust Funds
The Foundation monetarily supports the Trust Funds of the three Oklahoma Masonic Youth Groups - Rainbow, Job's Daughters and DeMolay. These trust funds are set up to have the annual interest earned go to support the youth organization. Also, on a case-by-case basis, the annual Foundation contribution can be redirected to a charitable or educational project of a Youth Order rather than go to the Trust Fund. Since 1983 the Foundation has contributed $500,500.00 to the Trusts or their special projects.

George Washington Masonic Memorial
All Masonic Grand Lodges in America are owners of this national memorial, located in Alexandria, Virginia, dedicated to the life, character and principles of the Father of our Country, Master Mason George Washington. In 2011 the Foundation increased it's an annual contribution to this outstanding Masonic edifice to $1.00 per member on the rolls. Oklahoma is one of only 17 Grand Jurisdictions providing this significant level of support.

Masonic Service Association of N.A.
This organization was formed to organize Masonic efforts to support servicemen and veterans. It continues these efforts through its Hospital Visitation Program, but does much more. MSA provides Masonic educational information, both Masonic and non-Masonic, to a broad public. It coordinates national Masonic efforts in disaster relief. On behalf of the Fraternity the Foundation makes Oklahoma's contribution in support of these noble programs. In 2012 our support for MSA programs and appeals was $6,944.08.

Masonic Lodges across the state provide resources for local causes both large and small. Lodge fundraisers and matching funds help support local organizations like volunteer fire departments, public schools, food pantries, and needy families. In 2012 alone, over $3 million was infused into Oklahoma communities by Lodges and the Matching Funds program.

The Matching Funds program helps Lodges make an impact in their communities. Many small communities in Oklahoma rely on Volunteer Fire Departments to provide emergency services in rural areas where taxpayer-supported fire departments are not available. The Matching Funds program allows lodges to significantly increase their gifts to local causes like Volunteer Fire Departments.

Oklahoma ranks in the top 5 states in the nation for hunger. Oklahoma Masons partner with the Regional Food Bank and the Community Food Bank of Eastern Oklahoma to support hunger awareness and relieve childhood hunger. In 2012, nearly $40,000 was contributed to the food banks as a result of the Grand Master's appeal.

So much good work is done for Oklahoma communities through this involvement at the individual community level.

DONATION OPPORTUNITIES

The Foundation receives donations in several different ways. Some donors send money direct to the Masonic Charity Foundation of Oklahoma, P. O. Box 2406, Edmond, OK 73083. Donations are received in letters or Business Reply Envelopes for general donations, Memorials and Honorariums, etc. Also, online donations can be made on the www.mcfok.org website using a credit card or Pay Pal.

Gifts to the Foundation made by Will are a popular way of building tomorrow. The gift is given only when you have no further need for the money and there is no danger that you might "run short." It is a perpetual gift as well, because the funds are invested and only the interest used to support the programs you have read about in these pages. Here is some suggested language to discuss with your lawyer when making a gift to the Foundation by Will:

To leave a specific amount to the Foundation:

I hereby give and bequeath to the Masonic Charity Foundation of Oklahoma, an Oklahoma charitable corporation, or its successors, the sum of $_____.

To leave specific Personal Property to the Foundation:

I hereby give and bequeath to the Masonic Charity Foundation of Oklahoma, an Oklahoma charitable corporation, or its successors, the following personal property, to wit: (Description of Property)

To leave specific Real Estate to the Foundation:

I hereby give and bequeath to the Masonic Charity Foundation of Oklahoma, an Oklahoma charitable corporation, or its successors, the following described real property located in _____ County, State of _____, to wit: (Description of Property)

To leave certain amounts to Others and Everything Left Over to the Foundation:

I hereby give, devise, and bequeath all of the rest and residue of the property which I may own or have any interest in at the time of my death, whether real, personal or mixed, to the Masonic Charity Foundation of Oklahoma, an Oklahoma charitable corporation, or its successors, without conditions or restrictions.
